

Guillermo Garcia Cruz

Born 1988 in Montevideo, Uruguay
Lives and works in Dubai, United Emirates

Guillermo García Cruz (1988, Montevideo, Uruguay). Professor of Visual Arts at the IPA, Montevideo, Uruguay. He has been part of the Washington Studio School and Corcoran School of the Arts and Design, Washington, USA. At the national level, his work has been exhibited individually at the Espacio de Arte Contemporáneo de Montevideo, and internationally in exhibitions in Lima, Buenos Aires, Mexico, Miami, Washington DC, New York, Madrid, Lisbon and Tianjin. Among other articles and mentions, in 2019 he has been highlighted globally among the 12 artists in the focus of the next generation, by the Ibero-American site Arte Informado. He currently lives and works in the city of Dubai, UAE, developing an interdisciplinary body of work that is made up of painting, photography, action and installation, exploring a contemporary approach to the geometric question and the different conceptual interpretations that stem from its formal disruption. And in addition, he works as a Professor of the Visual Arts Degree at the Catholic University of Montevideo. Recently, his work became part of the CIFO – Cisneros Fontanals Art Foundation, Miami, USA; PAMM – Pérez Art Museum Miami, USA; Collection of Chicago Northwestern University, USA; Luis Bassat Collection, Barcelona; Alberto and Ginette Rebaza Collection, Lima; MACA (Atchugarry Museum of Contemporary Art), Uruguay; among other international private collections.
